olam food ingredients (“ofi”) publishes further information for investors

London, November 19, 2021 – **ofi**, a global leader in naturally good food & beverage ingredients has today published further information for investors prior to attending J.P. Morgan’s Best of British Seminar on 22 November 2021. **ofi** was created in early 2020 following the announcement of the [re-organisation within Olam International Limited \(“Olam”\)](#) to unlock and maximize its long-term value. **ofi** intends to seek a primary listing on the premium segment of the London Stock Exchange, and a concurrent secondary listing in Singapore in H1 2022.

‘Introduction to **ofi** for investors’ highlights **ofi**’s attractive portfolio and strong growth prospects, driven by a proven and repeatable growth model which is expected to deliver low to mid-single digit annual volume growth and mid to high-single digit annual EBIT growth in the medium-term. The presentation also reiterates **ofi**’s strong trading momentum in H1 2021, with year-on-year EBIT growth of 29.5% and continued EBIT margin expansion.

‘Introduction to **ofi** for investors’ also presents the new brand identity for **ofi**. Brought to life in **ofi**’s recent [ad](#) and dedicated [website](#), the brand underlines **ofi**’s thrust and focus as it shakes up the market with fresh thinking and solutions that help food and beverage companies meet the growing consumer demand for natural, healthy, and sustainably sourced cocoa, coffee, dairy, nuts, and spices products.

About **ofi**

olam food ingredients (“ofi”) is a new operating group born out of [Olam](#). **ofi** offers sustainable, natural, value-added food products and ingredients so that consumers can enjoy the healthy and indulgent products they love. It consists of industry-leading businesses of cocoa, coffee, dairy, nuts, and spices. **ofi** has built a unique global value chain presence including its own farming operations, farm-gate origination, and manufacturing facilities. **ofi** partners with customers, leveraging its complementary and differentiated portfolio of ‘on-trend’ food products, to co-create solutions that anticipate and meet changing consumer preferences as demand increases for healthier food that’s traceable and sustainable.
